Per chiunque (medico, infermiere, farmacista, psicologo, cappellano o assistente sociale) abbia sempre avuto un interesse in St Christopher's ma si sia sentito scoraggiato dalla propria insufficienza linguistica, questa è l'occasione giusta!

La conferenza avrà luogo il venerdì, permettendo a tutti di passare il weekend come turisti a Londra. Le informazioni su dove siamo e su una sistemazione in albergo o bed & breakfast in case private vi saranno date su richiesta dopo l'iscrizione. A very warm welcome from St Christopher's to all our Italian speaking colleagues who would like to attend a one-day intensive study day in our Hospice in their own language. Speakers will present their lectures in Italian or through an interpreter.

If you are a health professional (doctor, nurse, care assistant, pharmacist, psychologist, chaplain or social worker) or an administrator and have always wanted to come to St Christopher's but the language has stopped you... this is your opportunity to come and make the most of it.

After the conference, why not stay on in London and visit the sights. Accommodation details, including bed & breakfast in hotels and private homes, and travel instructions will be sent to delegates once a booking has been made. Please note accommodation is not included in the cost of this course.
